M LOUNGE CHAIR

DESIGNED BY
TRƯƠNG QUANG VINH ARCHITECT

M Lounge Chair is built in three parts with open space between them, so air moves through the chair and each part supports the body where it rests.

The upholstered parts sit on solid wood supports joined at the base. The first version pairs natural walnut with Italian leather and upholstery fabric. The charcoal black version is made in natural oak with Italian leather.

Dimensions (mm)

Length	1790
Width	600
Height	980

Italian leather
Fabric

Maintenance

For wood part:
Use a soft damp cloth to gently wipe clean, do not use strong detergents for wooden surfaces. Avoid placing objects with large heat sources directly on the surface.

For the fabric:
Clean with mild soap using sponge or cloth. Be gentle while cleaning, do not scrub aggressively the fabric. Once cleaned please make sure you remove soap excess. Clean stains promptly; the longer they remain, the more difficult they are to remove. Steam the fabric after cleaning; do not place the iron directly on the fabric.

For the leather:
Wipe with a soft, dry or slightly damp cloth. Keep away from direct sunlight and heat sources. Do not use solvents or strong detergents.
